SORE DE YEA MINNA-SAN

HELLO.

Good day. This is my first comic with Bitlos. Should be memorable, my first compiled volume? Did you notice? Volume 1. Ah, thank you so much! It's all due to you!!

This serialization is completely shameless. Even so, thank you very much for reading. My pace completely failed, but volume 1 still managed to be published. I'm very sorry... Really, I'm so grateful you bought this book! I'm so happy I could cry!

I thought this was going to be a shounen manga. But it seems very soap-opera-like. Doesn't it...?? Sitting around the table, I thought 'aren't there a lot of manga-ka...?' Afterwards, my 'so cool!' big sister refused point blank to leave. She's such a commoner. Though our family is full of common women. Yep.

For those reading my works for the first time, and those who have read them before, I hope you enjoy yourselves.

I would love to hear your thoughts on this volume.
Thank you very much.

Uchida Kaoru

Morning,
Hokuto!

You're a
middle-school
student now,
get up on your
own already.

Here,
a hand-
kerchief.

Namiki...
You shut
the hell
up and
eat.

Is that
what you
call your
'sleeping
habits'?

Haa?

Shun-
tarou's
wakes
me up
'cause
he wants
to.

You
don't
get up
on your
own,
either.

Shut up,
Tougo
...

haha
haha

Wa
haha

Uuum
...

No.

Hokuto,
you eat-
ing?

Today's
the parent-
teacher
conference
visits
...
Remember?

Don't
worry, I
won't
forget.

You're
so mean
...

I'm not
making fun of
Italians, I'm
making fun
of you.

...
Tougo
...

Tougo...
Didn't eat
everything.
That's
unusual
...

Huh?

Nii-san.

I've already
fixed it with
work.

gub

Ah,
ok.

...Jeeze...
this guy's
really no
good at
dealing with
people, he's
too timid.

Naniki's older
than me, but
he still acts
like a brat,
so he's no help.

Hokuto!
Don't call
your big
brother a
brat!

Uuch,
what a
guy.

Natsuo...
isn't looking
after this
brat a bit of
a pain?

Maybe
that's not
quite
right.

sorry

yes

Don't
be stupid,
I'm fi-

clatter

Can't
you take
a break
today?

You don't
look so good
today, you
know?

I'll pop
into your shop
for something
to eat before
I go to my
evening job.

flap

Well,
then
...

clink

...
He
says
'no'.

...
He has to
...
We've had
to re-arrange
our appoint-
ments so many
times now
...

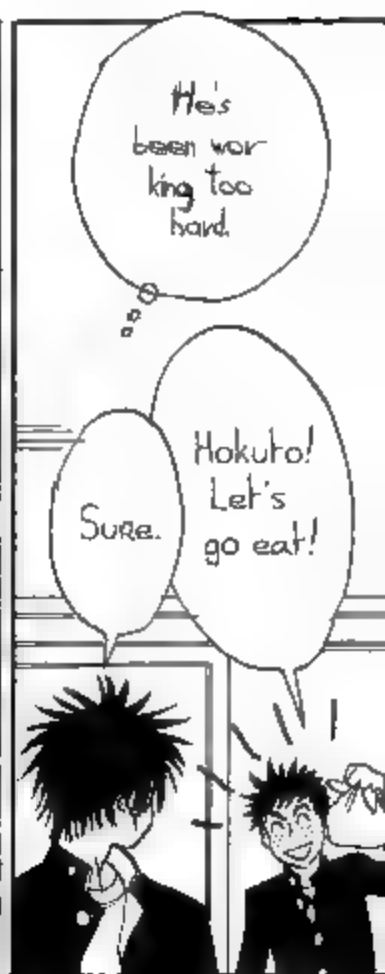

Then suck
it up and
go to the
meeting!!

If you
want to be
useful to the
family.

Jump
Nishiya!

Ok ...

I'm asking if his body's alright!

Idiot, that's not what I meant.

Ah, yes. He didn't want to trouble you, so another brother of mine will come instead.

Over-work!? Is he alright!?

He collapsed from over-work.

Yes.

...Yeah...

He's just worked too hard, he'll be fine with some rest.

I should go get your brother a get-well gift or something, so the meeting's a bit ...

It's not like we can't re-arrange the meeting.

Are you suspending it?

Hmmm ...

Nishiya's
done for.

...Yes...
He's 20.

Another
brother,
huh? How
old is
he?

Well, I do
wanna know a
bit more about
your home
circumstances.

Yes,
I'll tell
him.

I'll come
visit you
house to-
day, as
arranged.

s-

WHAT
SHOULD
I DO?!

Dunno.

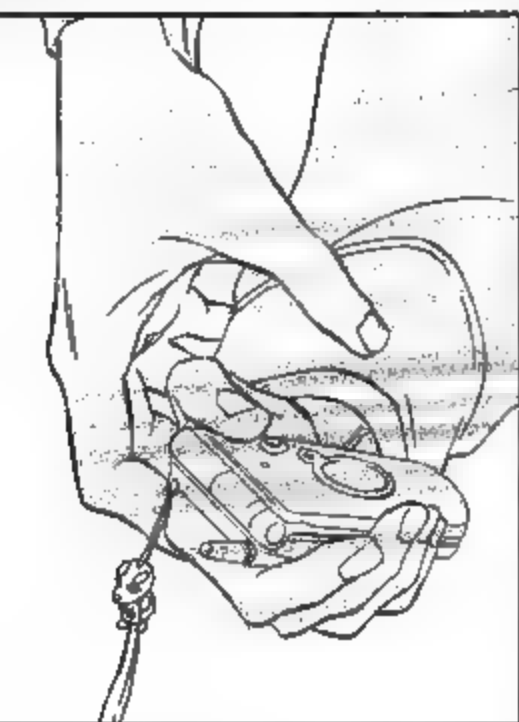

Huh?

I can't,
I have to
go take Tougo
his over-
night bag.

Hokuto!!
Stay with
me!!

WAAH!

おれい

What's
with this
Ossan?

That's
pretty
rude, you
know
...

Letting
your phone
ring in a
hospital.

Oi!

!!!

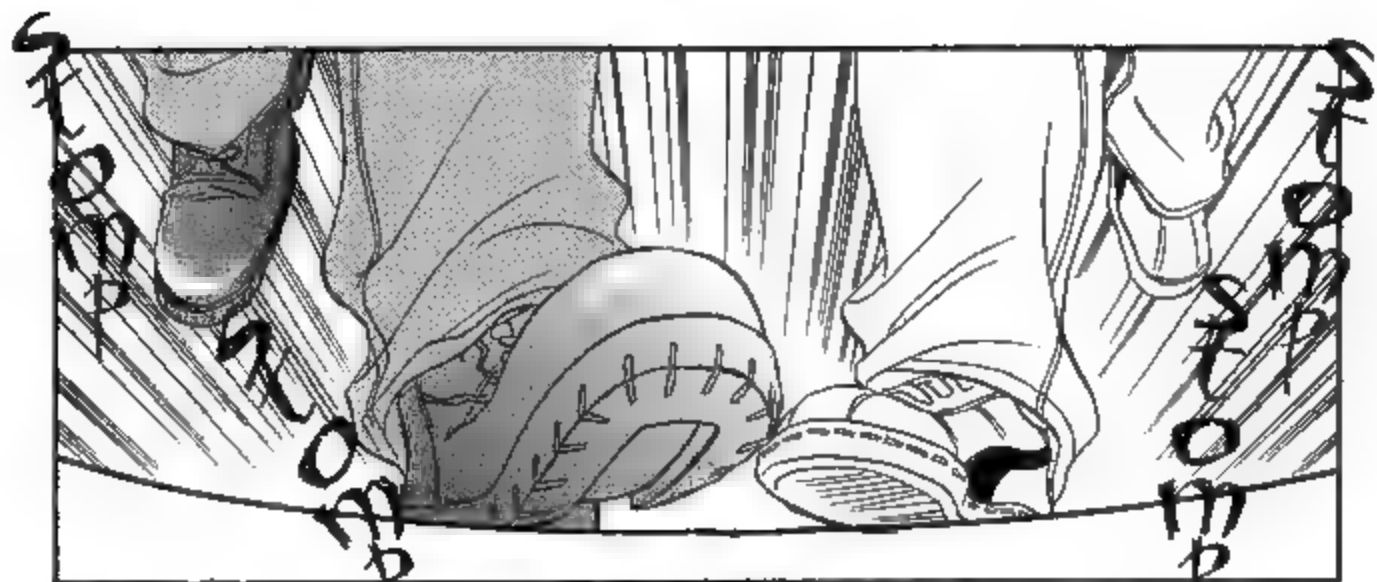

If you don't
let me go I
can't turn the
phone off.

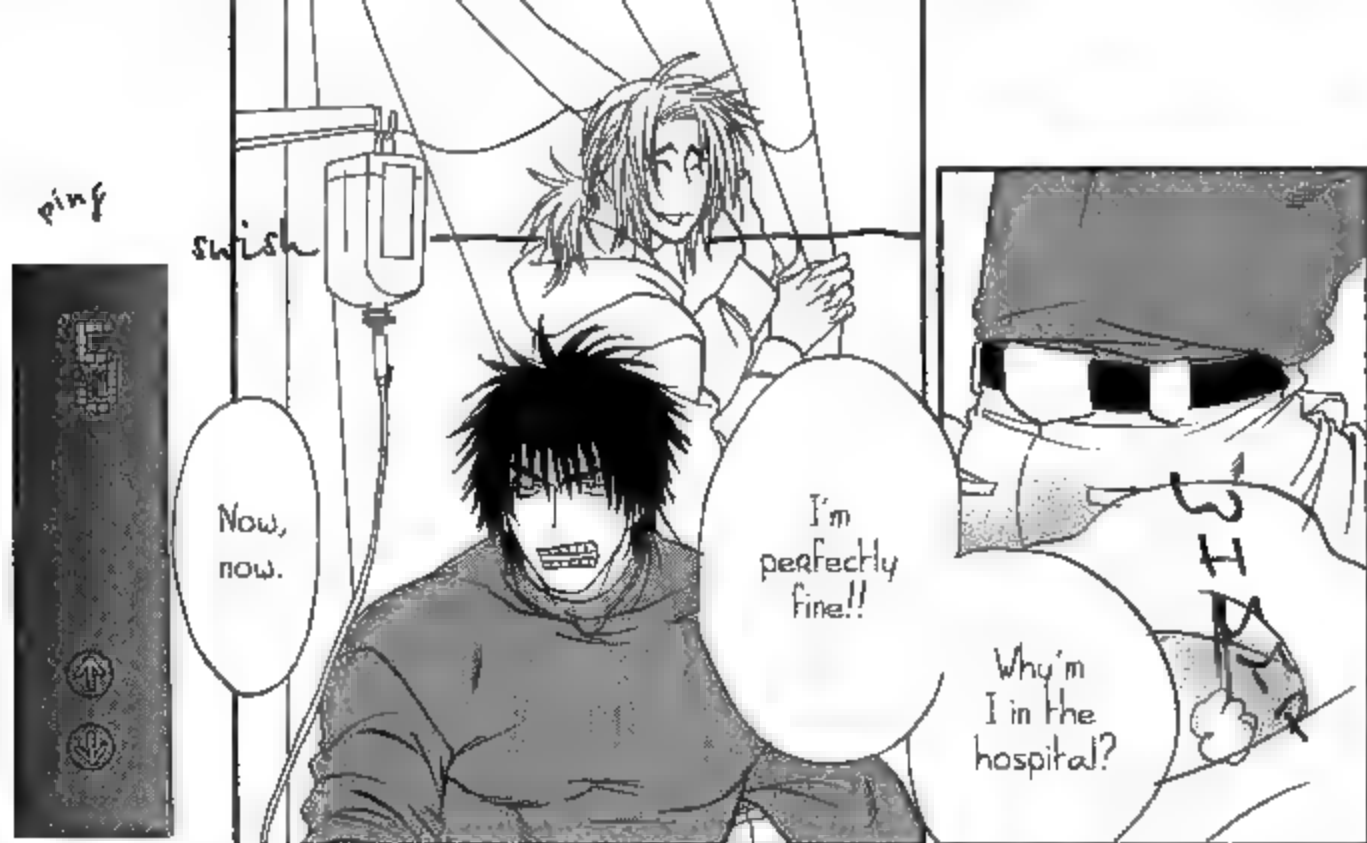

It's not
lit, so there's
no problem.

I brought
you your
over-night
bag.

I've
given your
valuables to
Nishiya.

And
this guy's
come to

YOU MORON
SHUNT AROUND
EMBARRASSING
ME LIKE THAT!

Short
and
sweet.

Well,
then
...

I'll
leave him
to you,
Shun-
tarou.

Here,
take it!

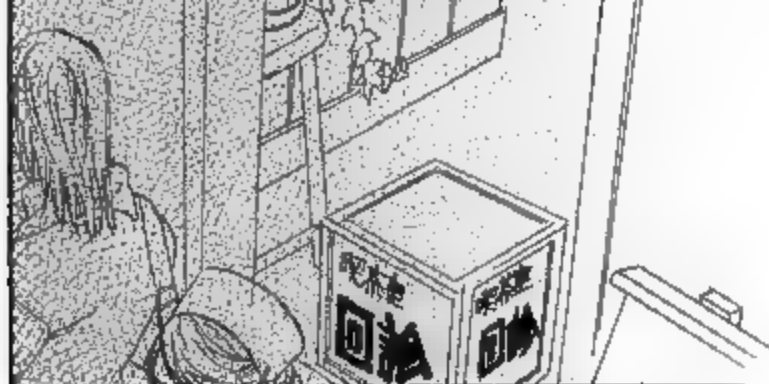

Well

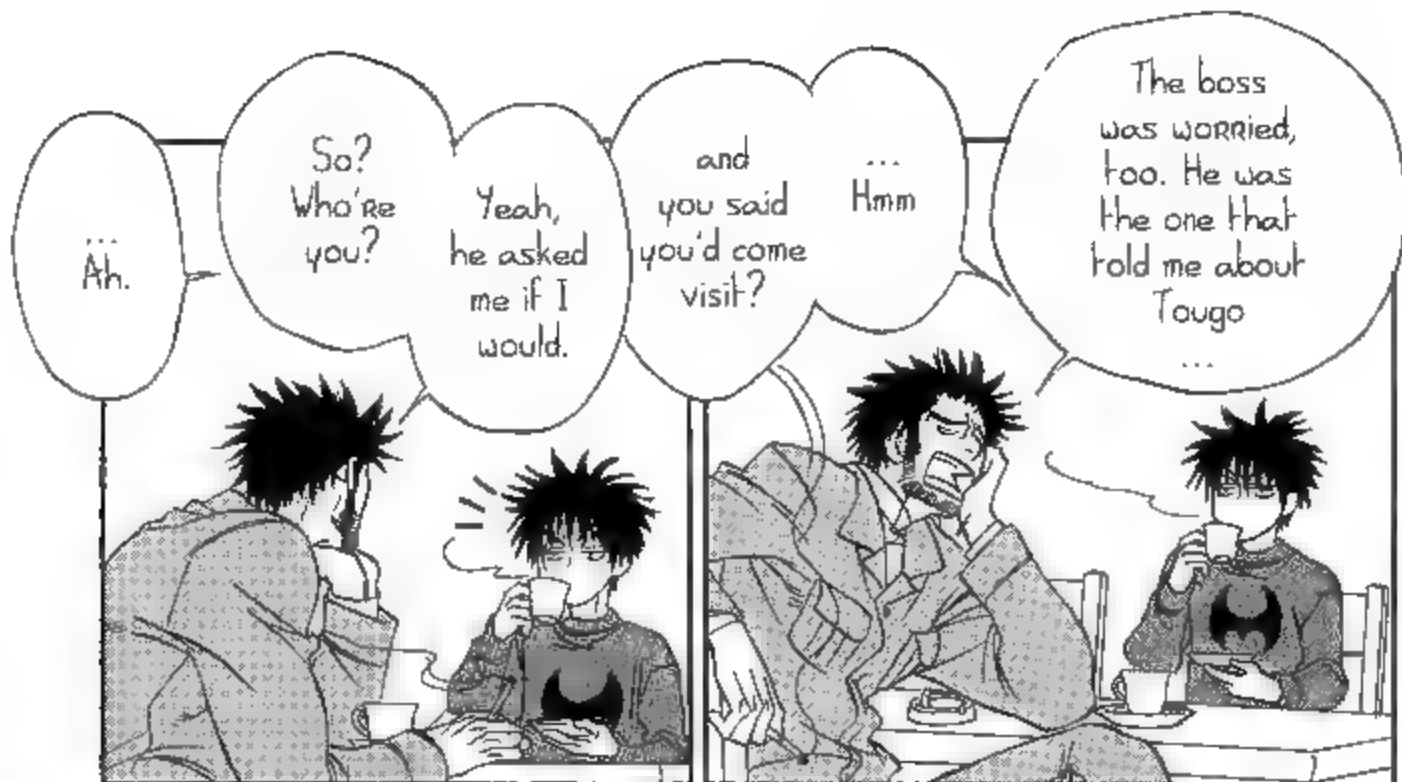

Get well
soon.

Thank
you.

He
came to
see you.

Eh!?

Ah!!

What?

As long as
Tougo is happy,
I don't have any
complaints.

About
before
...
with your
brother
...

You're
pretty calm.
You don't
have a
problem
with it?

He's
soo
cute
...

Why're
you asking
me?

Can I
get some
red-
tea?

Haah!?

I don't
have any
money.

Oh,
alright

Am I
supposed

...HE CAN'T
COUNT ON
ME...

BECAUSE
YOU
SERIOUSLY

どうも。ここまで読んでいただき  
ありがとうございます。

……うーん。書くところにもないや。  
困ったなあ。とりあえぬ思いついたのを  
書いてみます。

## ←ダイナイトボムにア→

いわゆるそのモアモアアアな服ですね。  
男も女もダイナイトな体つきじゃあ  
セクシーに見えんのです。裸が「ヤコイイ  
人」がステキに見えるのです。エライ  
ゴージャスに見えるわけです。体格のいい  
霜降り系の筋肉のつき方が好きなんです  
ね。ええ。

エロありませんでした。SBBコミックス  
なのにね。ポチありません。人に言われ  
るたびに申し訳ない気持ちになります…。  
もう本気で本音を出してあげ。キャラは  
好きであんなに描けずが。エロいね。  
萌えがなければ一切描けん。

よく友人に言われるのが、  
「アタボムにアロ？」というセリフ。  
申し訳ない。

えーと次回では、エロ。出てくるので。  
マニエックな方向でよければ最後まで  
お付き合い願えたらなあ。と思う次第  
です。

でけ。
